this is a book of possibilities in god through jesus christ one of the greatest lessons anyone desiring to walk in the supernatural must understand accept and believe is that the supernatural does not begin with you but with god in god and through god no one can walk in the supernatural without help from the spiritual realm so if you wish to walk in the supernatural you must depend on the spiritual because the spiritual is the root and source of the supernatural through faith we understand that the worlds were framed by the word of god so that things which are seen were not made of things which do appear hebrews 11:3 but until we understand faith we cannot understand the supernatural walk in the supernatural or work the supernatural as the case may be so the nature of faith or the spirit of faith is an imperative when it comes to the spiritual and the supernatural no one can understand the workings of the spiritual and the manifestation of the supernatural with their natural mind because the natural mind is limited by nature but our spirit is unlimited you may be asking what do i mean by this this is what i mean now unto him that is able to do exceeding abundantly above all that we ask or think according to the power that worketh in us ephesians 3:20
